1. The meeting convened at 2 p.m. in room 1D1617 Headquarters. The minutes of the series of meetings held in September 1966 to select nominees for Senior Officer Schools were approved as presented.

2. The nominations of the four candidates for the 1967-68 NIPA Career Education Awards were reviewed and three of the nominees were interviewed by the Board:

[REDACTED] The fourth candidate, [REDACTED] was not available for interview. The Board approved all four of the candidates for nomination to NIPA to be considered for Career Education Awards. It was suggested that in the Agency's nomination to NIPA, we include the statement "For your information, the candidates are listed according to our order of preference,"

3. The Executive Secretary reported on the Registrar Staff's efforts to obtain additional spaces in certain of the Senior Officer Schools. The Department of the Army denied the Agency's request for an additional space at the Army War College. There is still reason to hope that we will obtain one additional space at the Naval War College and at the Industrial College of the Armed Forces.

4. The Board reviewed lists of nominees submitted by the Directorates for attendance at session #11 of the Midcareer Executive Development Course. None of the nominees was challenged. Mr. Richardson mentioned that he had been asked recently why there were not any women in the Midcareer Executive Development Course. In checking back, it was ascertained that of the 300 Midcareerists who have attended this program, only two have been women. A projection of all runnings of the Midcareer Executive Development Course during 1967 was distributed.

5. It was announced that the Board would be asked to meet again fairly soon to select at least three candidates for the "President's" Mid-Career Educational Program in Systematic Analysis. It was suggested that John Clarke, C/PPB, be invited to sit in on this meeting of the Training Selection Board.
